

# Neurosurgical Registrar

**Macquarie Neurosurgery** is one of Australia's largest academic neurosurgery groups. It includes ten neurosurgeons who are dedicated to not only perfecting their clinical and neurosurgical skills, but also educating future neurosurgeons and leading breakthrough research. We have subspecialty interests in vascular neurosurgery, complex spine surgery, tumours, and syringomyelia and Chiari malformation. Working at Macquarie University Hospital, we have access to the latest technology from intraoperative scans and high-resolution neurosurgical microscopes, to state-of-the-art imaging and the revolutionary Gamma Knife.

## The Role

Macquarie Neurosurgery is seeking an Unaccredited Neurosurgical Registrar to provide clinical and surgical services and contribute to the development of the unit. This full-time position is not a position recognised by the Royal Australasian College of Surgeons for training, however it will allow the successful candidate an opportunity to experience surgery in a private University hospital and academic health science centre. The successful candidate will also have the opportunity to participate in outreach clinics at various locations in NSW, as well as contribute to educational activities within Macquarie Neurosurgery and Macquarie Hospital.

Opportunities for clinical research available.

## To Apply

To be considered for this position, you will demonstrate the below requirements in your CV and a 1-2 page cover letter:

- Current registration as a medical practitioner in Australia (or ability to obtain – including English language requirements)
- Demonstrated interest in neurosurgery
- Demonstrated experience as a surgical assistant
- Demonstrated understanding of the patients' perspective and ability to communicate key information to the patient and carers
- Demonstrated interest and aptitude for supervision of interns and delivery of educational activities
- Demonstrated high level understanding of the discipline including major international trends, recent developments and improvements
- A strong commitment to multidisciplinary approaches to clinical care and ability to work as part of a team

**Note:** This position requires a Working with Children Check Clearances for NSW and Criminal Record Check. Reference checks will also be required.

**Salary Package:** Competitive base salary, plus 9.5% employer's superannuation.

**Appointment Type:** full-time, fixed term for 12 months, commencing early February 2019

**General Enquiries:** Samantha Bruce at [sbruce@mqneurosurgery.com](mailto:sbruce@mqneurosurgery.com)

**Applications Close:** Friday 3 August 2018
