

Logbook Summary Form – Paediatric Neurosurgery Post Fellowship Education and Training in Neurosurgery

Neurosurgical Society of Australasia

Fellow Name: _____

Training Period Covered by Summary _____ to _____

Hospital: _____

Number days absent: _____

Supervisors Signature: _____

Fellows Signature: _____

	Primary Surgeon	Secondary Surgeon	Assistant Surgeon	Totals
Cerebrovascular				
Aneurysm				
Arteriovenous Malformation				
Intracerebral Haemorrhage				
Moya Moya Procedure				
Surgery for Vein of Galen Malformation				
Other				
Subtotal				

Craniofacial				
Encephalocele Repair				
Fronto-orbital Advancement				
Multiple Suture Craniectomy and Vault Reconstruction				
Single Suture Craniectomy				
Other				
Subtotal				

Epilepsy				
Corpus Callosotomy				
Corticectomy				
Electrocorticography				
Hemispherectomy				
Lesionectomy				
Temporal Lobectomy				
Vagal Nerve Stimulator				
Other				
Subtotal				

Hydrocephalus				
Lumbo-Peritoneal Shunt				
Removal of Infected Shunt				
Revision of Shunt				
Ventriculo-Atrial Shunt				
Ventriculo-Peritoneal Shunt				

Logbook Summary Form – Paediatric Neurosurgery Post Fellowship Education and Training in Neurosurgery

Neurosurgical Society of Australasia

Ventriculo-Pleural Shunt				
Other				
Subtotal				

Minor Procedures/Miscellaneous				
Anterior Fontanelle Dermoid				
Arachnoid Cyst Fenestration				
Debridement/Washout of Wound				
Evacuation of Post Operative Haematoma				
External Ventricular Drain				
Foreign Body				
Insertion of Ventricular Rickham Reservoir				
Intracranial Pressure Monitoring				
Other				
Subtotal				

Neuroendoscopy				
Endoscopic Shunt Placement				
Exploration				
Fenestration of Cyst				
Septostomy (Septum Pellucidum)				
Third Ventriculostomy				
Tumour Biopsy				
Other				
Subtotal				

Spine				
Biopsy				
Chiari Decompression				
Dermoid				
Diastematomyelia				
Lipomyelomeningocele				
Myelomeningocele Repair				
Selective Dorsal Rhizotomy				
Syrinx Procedure				
Tethered Cord				
Other				
Subtotal				

Trauma				
Acute Subdural Haematoma				
Cranioplasty				
Decompressive Craniectomy				
Depressed Skull Fracture				
Dural Repair				
Extradural Haematoma				
Intracerebral Haematoma/Contusions				
Other Extra-Axial Fluid Collection				
Other				
Subtotal				

Logbook Summary Form – Paediatric Neurosurgery Post Fellowship Education and Training in Neurosurgery

Neurosurgical Society of Australasia

Tumour				
Bony Skull Tumour				
Craniopharyngioma				
Diencephalic/Optic Glioma				
Needle Biospy of Brain				
Pineal				
Posterior Fossa - Ependymoma				
Posterior Fossa - Medulloblastoma				
Posterior Fossa - Pilocytic Astrocytoma				
Posterior Fossa - Other				
Supratentorial - Low Grade Glioma (WHO I/II)				
Supratentorial - High Grade Glioma (WHO III/IV)				
Supratentorial - Other				
Supratentorial - Pilocytic Astrocytoma				
Supratentorial - PNET				
Other				
Subtotal
